

The 85th Euroconstruct Conference  
during nightless nights in

# Helsinki

Summer 2018, 7th & 8th June

# Programme

Thursday, 7th June

## Visit to Helsinki Central Library Oodi

Construction of the world's most modern library will be in its final stages during the conference. Attendees have the unique opportunity to visit the construction site of the new landmark of Helsinki.

## Gala Dinner at Restaurant Saaristo on Klippan Island

Conference attendees get unique networking opportunities and an unforgettable dining experience at one of the most historic restaurants in Helsinki. The island provides a beautiful view of the City of Helsinki and the Baltic Sea.

Friday, 8th June

## Conference at Finlandia Hall

- Outlook for construction investments in Europe, the keynote speaker is **Jyrki Katainen, Vice-President of the European Commission**.
- Global economic outlook
- European construction market outlook and segment developments
- Regional construction market forecasts of the Euroconstruct area.
  - Finland, Sweden, Norway, Denmark
  - Germany, Switzerland, Austria
  - France, Belgium and The Netherlands
  - UK and Ireland
  - Poland, Czech Republic, Slovakia and Hungary
  - Italy, Spain and Portugal
- 2-3 Presentations from researchers and industry covering the changes of the built environment and its impacts on construction markets

# About the Conference

- This Conference is part of a biannual series of presentations on the medium-term outlook for construction in Europe.
- This event addresses all those involved in construction activities: producers of building materials and equipment, construction companies, designers, architects, engineers, contractors, investors, financiers, insurers, and other related professions.
- The Conference offers:
  - Exclusive access to the latest macro-economic and construction projections to 2020 U
  - Unique opportunity to network with construction industry and market players
  - In addition to the 19 Euroconstruct countries, the Helsinki conference offers a bigger coverage with reports covering the three Baltic States and Russia.
- Opportunity to visit in Helsinki: a growing popular city of Europe
