ABOUT THE CONFERENCE

- The biannual conferences of Euroconstruct bring leading economists and analysts together. The first half of the day is used for presenting the European macroeconomic outlook and a construction market outlook to 2025.
- In the second half of the day there will be a panel discussion, with analysts and construction experts from all over Europe.
- Special theme: European construction market forecasts in the context of rising prices and increasing interest rates
- The conference will be held at **Sofitel Legend The Grand Amsterdam**
- Great opportunity to network with unique pre-conference network activities

PROGRAM

VENUES

Networking events

House Bartolotti

Herengracht 170 - 1016 BP Amsterdam

- Hear stories about the architecture, history and inhabitants of House Bartolotti. But above all, experience the beautiful canal house yourself. Sit on the chairs, look in the cupboards and take a walk through the beautiful deep garden.

Conference day

Sofitel Legend The Grand

Oudezijds Voorburgwal 197 - 1012 EX Amsterdam

- The history of The Grand's building begins in 1411 as two monasteries.
- In 1992, the building was converted into hotel Sofitel Legend The Grand Amsterdam. No expense was spared to renovate and restore the property. During the restoration, the Princenhof retained the atmosphere of the past, with walls decorated with reproductions of French and Dutch coats of arms and portraits of the Dutch nobility.
