

EUROPEAN CONFERENCE

FROM QUALITY OF PUBLIC PROCUREMENT TO THE QUALITY OF CONSTRUCTIONS IN EUROPE

DECEMBER 3-4, 2024 | MILANO
CENTRO CONGRESSI CARIPLO, VIA ROMAGNOSI 8

TUESDAY, DECEMBER 3, 2024

14,20-18,30

PUBLIC PROCUREMENT FOR DESIGN AND CONSTRUCTION IN EUROPE: CURRENT SITUATION AND PERSPECTIVES

Participation is free of charge upon registering on line or on site
Organised by CNAPPC - CAE

Presentation of the research "After the design".

Following the examination of a significant number of comparable contracts and design, the results obtained following different forms of tenders will be presented (design competitions, Integrated contracts...). The research shows the greater or lesser frequency of disputes, variances during construction, cost increases, time increases, different degrees of end-user satisfaction in relation to different types of Contracts.

A representation of more than 12 EU countries of experts in the Public Procurement sector discuss the current rules of Procurement of architecture and engineering services and those expected and foreseen by the update of DIRECTIVE 2014/24

WEDNESDAY, DECEMBER 4, 2024

9,20-13,30

QUALITY OF THE BUILT ENVIRONMENT IN EUROPE THROUGH QUALITY PROJECTS AND PROCUREMENT

Participation is free of charge upon registering on line or on site
Organised by CNAPPC - CAE - CRESME spa

Quality Indicators to be adopted in architecture and engineering services

What evolution for designs that must generate buildings and constructions consistent with environmental and social sustainability, circular economy with the increased role of digitization? There is a need to quickly define towards new Quality Indicators (Davos Declaration Principles, NEB, ESG, BIM, Taxonomy...)

Paid sessions

TUESDAY, DECEMBER 3, 2024

9,00-13,00
